

Product Specification Sheet

Product Name: 1 gang Box Extender

Product Group: Mounts and Brackets

Part Number: 60-0001-BE

Colors: White

Product Overview

Easily extend your existing electrical box with this durable 1-Gang Box Extender. Designed to fit standard single-gang electrical boxes, this extender provides the extra depth needed to safely and securely mount electrical devices in walls that have been remodeled with tile, paneling, or other wall coverings. Perfect for extending electrical boxes flush with newly surfaced walls in kitchens, bathrooms, or finished basements. Compatible with outlets, switches, GFCIs, and more.

Key Features

- Feature 1: Fits standard 1-gang electrical boxes
- Feature 2: Ideal for use in remodeling projects or with thick wall coverings
- Feature 3: Maintains code-compliant spacing for electrical devices
- Feature 4: Durable, non-conductive plastic
- Feature 5: Fire resistance rating: 2-HR-W
